## **Appendix A President's Report.**

Greatings SCC Executives & Members,

The past year at SCC we witnessed the 1800+ section be FIDE rated throughout the year. Having the top section FIDE-rated was dream of mine when I joined the club and I am delighted that it has finally transpired. A new section of U1000 for Juniors only was introduced as well. I hope to see both sections grow as time goes on.

The club purchased 40 DGT Clocks from the CFC via CMA from FIDE/DGT at a heavily discounted price. We added 10 DGT 3000 clocks, top of line brand, and 30 DGT North American. All boards in play at our club use a digital clock and the analog ones have been phased out. Although the club paid well over \$1000 for these clocks, I believe the investment to be well worth it for the long run.

This year we saw the departure of our long time fellow Executive and Treasurer Ken Kurkowski. I would like to than Ken for all his years of service and wish him the best of health in the future. I have already started to miss his presence and hope he will return as a player one day.

I would also like to thank all my fellow Executives and volunteers for their hard work and dedication to the Club. Without them the club simply wouldn't function.

Lastly, I look forward to growing the club by bringing in new members. The social media part of the club needs to be worked on and I'll look into recruiting some members to help out.

If nominated I would run again as President of the Club.

Best regards.

Omar Shah

## **Appendix B Vice-President's Report.**

I was kept busy this past year looking after the administration of the Club.

Much time was spent contacting members about their Club and CFC due dates for their membership fees. I would say that 95% of the members do not pay until they are notified. Sometimes they have to be contacted more than once.

I send in all CFC dues and all rating fees to the C.F.C. with an email detailing all the required information. I also send in all the information on new members.

I work with the City applying for the permit and filling out all their forms. I have established a good working reation ship with the Birkdale Community Centre Supervisor.

I purchase all the trophies that we give out as prizes. Also I keep a catalogue of books that we also use as prizes. I notify all the prize winners.

This past year it was busier than usual for me because our President was away due to ill health for several weeks.

I have been in the Club since 1976 and in chess administrations since 1988. I would like to retire but at the moment I do not see anyone volunteering to take over all the responsibilities. Therefore I will stand again as Vice President if nominated.

Maurice Smith
